

# FOOTBALL, JUDO FOR WEEKEND

## Polls Close at Four; Posters Must Go by Six

Polls close this afternoon at 4 o'clock. Election posters must be removed by six o'clock this evening.

Bob Roberts, chief justice of the Student Court, announced the above decisions at yesterday's meeting of the Student Court. He warned that any violator of the poster edict would be prosecuted.

According to Roberts, the counting of ballots will begin as soon as the polls are closed. He estimated that the counting might take some time if the voting is heavy.

Roberts announced that the Spartan Spears, Spartan Shields, Alpha Phi Omega, Poller students, and members of "the committee to build spirit for the May 8 election" will assist the Student Court in conducting the election.

Candidates voting in today's elections are:

John Aitken, and Jerry Ball, president; Tom Hecrey, Bill Eckert, Bill Hushaw, and Ken Mitchell, vice-president; Arline Gentry, recording secretary; Sal Lee, and Elaine Schwieso, corresponding secretary.

Jim Freeman, Bert Haight, Dee Jukich, and John Landicho, treasurer; Pat Engerud, Carol Hotchkiss, and Betty Wiser, representative-at-large (female); Chuck Bucaria, Roy Hodges, Art Lund, Chuck Mayhew, and Vern Perry, representative-at-large (male); Joan Aubrey, senior justice (female); Jim Choate, and Bill Maher, senior justice (male).

Pat Brennan, Sue Chapman, Barbara Lacey, and Bob Lindsey, sophomore representative; Bob Goforth, Junior representative; Cathy Carey, and Barbara Rouch, senior representative.

Associated Women Student candidates are:

Darlene Clayton, president; Carol Galli, Joan Harlan, and Alberta Martin, first vice-president; Carol Callender, and Donna Harleroad, second vice-president; Janet Adams, Barbara Bociocco, Karin Johnson, and Jan Wilson, secretary; Phyllis Carter, Enid Harte, Ethel Oeser, and Sue Ann Zimmerman, treasurer.

Associated Men Student candidates are:

Dave Pantoskey, president; Bill Frizelle, and Bob Kennedy, vice-president; Bill Viall, secretary; and Bob Padden, treasurer.

## Activist Policy a Must Czech Speaker Warns

By MILDRED KILLAM

The united force of the Slav nations under Russian nationalism is a real threat to the Western powers, and the only way to combat it is for the allies to unite behind a long-range activist policy.

These views were put forth by Bohus Benes, nephew of the late president of Czechoslovakia, Edward Benes, to a Morris Dailey audience yesterday morning. His talk, on "The Russification of the Soviet Orbit," was sponsored by the college Lecture committee.

"Containment is not enough, we must stop Communism, he said, emphasizing that 'You have to fight it at all fronts, ideological, and, if necessary, military.'

"You may say, 'It can't happen here,' ... countries like my own laughed in the face of Communism. ... Bolshevism comes anyway," he warned.

Benes expressed the opinion that Communism is losing out in countries like Italy and France, and

## Three Trophies To Be Awarded At Spring Sing

The annual IFC Spring Sing will be held Tuesday night, May 12, at 8 o'clock, in the Morris Dailey auditorium, according to Mary Scarper, chairman.

Scarper added that there will be a reserved section for house-mothers, fraternity and sorority advisers and faculty members who attend.

Dave Woods will act as master of ceremonies for the event.

Theta Chi won last year's trophy.

Scarper said this year three trophies will be awarded. Fourth and fifth place awards which will serve as points toward the annual IFC trophy will also be given.

The IFC volleyball tournament will be held Saturday at 9 a.m. on the college courts, according to Jim Freeman, IFC publicity chairman.

Freeman reported that teams must be present before 9:15 a.m. or they will be disqualified.

The tournament will be run on a two-game elimination basis, with the two top teams playing off two out of three games, he said.

## Wright Was Wrong

What a difference a year makes. Roderick Wright, a San Jose State college student, discovered this Tuesday night.

He borrowed a blue Chevrolet from a fraternity brother, took a drive, and was stopped by the police. Investigation showed that the car he was driving belonged to Miss Betty Hostetter. It was a blue Chevrolet, circa 1938. The car had been reported stolen earlier in the evening.

Police, Miss Hostetter, and Wright straightened the matter out. It developed that the fraternity brother's car was a Chevrolet, blue, and circa 1939.

Wright will probably check the pink slip on any blue Chevrolet he drives from now on. He said, "I thought the bottom had fallen out of the world when the police stopped me."

## Department Heads Deem Open House 'Great Success'

The Natural Science open house was reported to be a huge success yesterday, by Dr. Carl Duncan, department head, Dr. James W. Tilden, open house chairman, and Paul Sakamoto, student representative.

By 3 p.m. there had been over 2000 visitors to see the exhibits and demonstrations, they reported. Hundreds of students from neighboring schools attended the affair.

The movies and demonstrations were presented to capacity crowds, and Dr. Gertrude Cavins, reported that over 3000 samples of cosmetics had been given out by her cosmetics classes. The demonstrations on liquid air were also very popular with the visitors.

The animal collection in the upstairs hallway attracted large numbers of visitors. Especially interesting were the exhibits of snakes and a Southern Hylomys bird loaned to the department by Andy's pet shop of San Jose. The bird is valued at \$500 by the owner. It has a vocabulary of over 100 words.

Visitors also found it very interesting to visit the various classes of the department that were in session. Many of the classes also prepared special demonstrations for the guests.

## Spring Bowl, AAU Judo Meet Today, Tomorrow

### Golds, Whites Clash Today

The third annual Spring Bowl game will pit two evenly matched teams this afternoon at Spartan stadium. Game time is 3:30 p.m.

Women students will be rooting for the White team while the Men will cheer the Golds on. The Golds will be sporting blue uniforms as the Spartans have discarded the gold-colored jerseys.

Awarding of several trophies will highlight the contest. At half-time the Keith Birlem down-field-blocking trophy will be awarded in memory of Major Birlem. He was a teammate of Bob Bronzan's on the 1939-39 Spartan gridiron teams and one of the greatest blocking backs to wear the colors of Washington Square. He was killed ten years ago today on a bombing mission over Germany.

Mrs. Jane Meyer, his mother, will present the award.

A spirit trophy will be given to the rooting section making the most noise and showing the greatest amount of enthusiasm. Other awards will be given players making the most blocks during the bowl game.

No captains have been selected for the contests, but the quarterbacks will act in that capacity while on the field. The starting signal caller for the Whites is Benny Pierce, and Larry Rice will direct the Golds.

Six men will be sitting out the game as a result of injuries received in spring practice. They are Merle Flattley, Tom Stern, Ed Bill, Gene Goldberg, Joe Muldowney and Ralph Daehler.

### Champ Team To Get Award

By BOB KIRCHER

The first National Amateur Athletic Union Judo tournament in history will be held tonight and tomorrow in the Spartan gym. Competition will begin at 7 o'clock each evening.

Some 300 judoists from all parts of the nation are expected to see action in the initial tourney. Preliminary matches will be held Friday with the finals being staged Saturday night.

One of the major highlights of the tournament, according to Spartan coach Yosh Uchida, will be the presentation of a banner sent from Kodokan Judo headquarters in Japan to the championship team. The award will be made by a representative of the Japanese consulate in San Francisco.

Newsreel and magazine coverage will be another feature of the National AAU meet. Metro Goldwyn Mayer's News of the Day and RKO-Pathé News will take newsreel shots. Correspondents from Life, Argosy and Newsweek will be on hand to represent their national magazines.

Tournament director is Uchida. Far Western AAU commissioner, Henry Stone, California wrestling and judo coach, has also been active in the organization of the tourney.

Judo is recognized by the AAU as a sport separate from wrestling for the first time this year. Weekend competition will be in four weight classes, 130, 150 and 180 pounds and heavy-weight.

HILL THOMPSON throws Harry Diddler to demonstrate one of the maneuvers that will take place tonight and tomorrow night when Coach Yosh Uchida's team enters the AAU Judo tournament

to be held in Spartan Gym. The tourney will attract entrants from all over the United States and its territories. It is the first national judo tournament ever to be held in this country. —photo by Pryor

### Orchids and Poison

Mr. and Mrs. Herbert Jamero, Mr. Peter Jamero, and Mr. Raphael Raagas:

If this eviction notice puzzles you, I wish to remind you that such ignorance on the part of my countrymen is not confined to such bigoted groups as your present neighbors. Unfortunately, millions of Americans also share the belief that certain colors of pigment in the human skin have the effect of contamination of Caucasian blood.

It might dumbfound your neighbors to learn that I am presently living in a house with a Filipino student and am rooming with a native of Alaska and thus far have suffered no ill effects.

Would my limited finances allow it, I would take the greatest pleasure in bestowing upon your neighbors, your landlord, and all other hypocrites who profess democratic ideals but who do not have the guts to live up to them, a boxcar of black orchids sprinkled generously with formaldehyde.

A FELLOW KO-VET.

## Fair Coed Holds Many Titles, Including 'Miss Nitwit' Honor

By JOE BRYAN

A San Jose State college coed holds the title of "Miss Nitwit of 1953."

She also is "Miss 20-30 Club" of Reno. On April 18 she relinquished her crown as "Miss Reno." Decoration Day she ends her reign as "Miss Nevada."

The oft-crowned beauty is a freshman Occupational Therapy major named Bonnie Wilson.

At the time of her selection as "Miss Nitwit" Miss Wilson was competing in the 1952 "Miss America" contest in Atlantic City, N.J. She won her title for practicing her father's profession. He is a plumber.

According to Miss Wilson, the drain pipe of a wash basin in her hotel room had become clogged, and she had unscrewed it with a fingernail file to clean it out. Other "Miss America" contestants heard about this, and brought some of the contest's judges to watch Miss Wilson's plumbing activities.

Hattie Carnegie, Coby White-more, Elizabeth Arden, and Hal-Phyfe were in her audience, Miss Wilson said.

Nineteen fifty-two's "Miss Nevada" proved that she had learned her father's trade well. The drain pipe began to function normally when she screwed it back on. However, this episode led to her selection as "Miss Nitwit." Fellow "Miss America" contestants conferred the title.

Although she didn't win the "Miss America" contest, Miss Wilson did take second place in the bathing suit division.

Another famous member of the Wilson family is Miss Wilson's 10-year-old brother Fred. He is the "Easter Seal Boy of 1953." Fred is handicapped by cerebral palsy, and his handicap led to Miss Wilson's selection of Occupational Therapy for a major.

She does not expect to be graduated in time to participate in her brother's treatment, but she does expect to work as a therapist in her home state. "We need therapists in Nevada," Miss Wilson said, "and I want to help others like my brother."

"College comes first in my plans," Miss Wilson continued. "I enjoy male companionship, but I do not intend to marry until after my graduation."

"I love to dance and swim. I use make-up. I think a girl should if it enhances her beauty. Too much is worse than none, however."

"I love California, and I'm glad that I came to San Jose State college. I like the school, my instructors, and my fellow students. The Occupational Therapy course here seems es-

pecially good."

Since her grade point average hovers on the plus side of two point, "Miss Nitwit" doesn't exactly live up to her title. She is definitely not in "the beautiful, but dumb" category.

## Insolvent? Get a Loan

By DON DeMAIN

There is a little man haunting the campus.

He is nimble and quick, with a mean red face and everywhere he goes he carries a club. The club is made of wadded-up unpaid bills and returned checks stamped "no funds."

He sneaks up behind unwary students and pounds them over the head until they are rendered insolvent.

Fifty-eight students have already been attacked by the little gremlin this quarter and have had to apply to the student loan fund for help, according to Dr. Edward W. Clements, personnel counselor and chairman of the College Services Funds committee.

So far \$2000 has been paid out in various sized loans. The most common request is for \$10 to \$75, Dr. Clements says. After a student has completed one quarter of satisfactory work he is eligible to obtain a loan from the Herman Minssen Memorial fund.

For the more serious financial troubles, students may apply to the Robert Floyd Sharp Memorial Student Loan fund. Loans up to \$100 for seniors and up to \$50 for freshmen and transfers are available.

Veterans have a special fund from which they may get loans up to \$100, and there are several other loans available to students with special qualifications, according to Dr. Clements.

As for repaying the loans, the Minssen fund allows up to six months, with 1 per cent service charge up to three months. After that it is 4 per cent per annum. Veterans are required to repay loans within the same quarter the money is borrowed with a 1 per cent service charge.

1. File an application with George Singwall, housing manager and business manager of the service fund.

2. Explain the problem to the dean of men, or dean of women.

3. Consult with Dr. Clements.

4. Collect the loan from Mr. Singwall.

## Don't Give Up, You Too Can Learn 'How to'

By NELSON WADSWORTH

If you are in the mood for a few quick laughs, step into the Library and look in the card catalog under "How To . . ." To look at all 433 cards that begin with this title would take an afternoon and a caldron of tears because you would laugh so hard.

The first card is "How to Abandon Ship." Have you ever had the urge to abandon ship? Don't give in old boy, there's still hope.

A few cards down the list is "How to Attract a Wombat." What on God's green is a wombat? Let's look in the dictionary — "A Wombat is any diprotodont burrowing marsupial of the genus Phascologomys." Oh, I see — a Phascologomys.

## On Stage!

# Three Plays, Recitals on Schedule

"Under the Gaslight," scheduled to open May 29 in the Little Theater, will run seven nights instead of the traditional five, according to John Kerr, director.

The melodrama, starring Ron Blood and Donna Wegner, will be staged May 29 through June 6.

Speech and Drama department productions have been drawing increasingly larger crowds. The usual run is not long enough to accommodate theater-goers.

The combination of between-the-acts oases and the rollicking comedy are expected to draw one of the largest crowds in the department's history.

Speech and Drama department faculty members will step into the roles of bakers, barbers and sheriffs Friday night for the opening performance of "Grass Harp."

The fantasy will begin a two-day run at 8:15 p.m. in the Little Theater. Tickets are on sale in the Drama office. Admission is 50 cents for students and 75 cents general admission.

Only lights and music will be used for effects in the story of an elderly lady's rebellion. Dr. Dorothy Kaucher plays Dolly Talbo and Mrs. Margaret Cham-

berlain portrays Catherine Creek, Mrs. Talbo's friend.

Tickets will go on sale Monday at a booth in the Library Arch for the Alpha Delta Sigma-Gamma Alpha Chi, advertising groups, sponsored "evening at the movies."

Admission for the evening, featuring a movie, "Brandy for the Parson," three Mr. McGoo cartoons and an hour's student variety show, is \$1.

John Burns is general chairman and Del Kennedy is in charge of entertainment.

Also on sale Monday will be tickets for "Is Life Worth Living?" being produced May 18-20 by the advanced acting class. Tickets are 30 cents and will be available in the Speech and Drama office.

Mary Flore, senior music major, will present her graduate piano recital tonight at 8:30 o'clock in the Little Theater, according to Mrs. Mary Boyer, Music department secretary.

The selections to be played are scheduled as "Mozart's Variations on a Theme" by Gluck, "Second Sonata" by Hindemith and "Carnival Pranks in Vienna" by Schumann.

The recital will be open to the public and is free of charge.

Four State students and an instructor will face the KRON television cameras at 5 o'clock Monday evening to explain to Bay Area viewers the "whys and hows" of San Jose State college, its operation and its facilities.

Tom Evans, ASB president; Bill Kennedy, Freshman class president; Stuart Grannis, Martha Mahan and Robert L. Guy, instructor in radio-speech, will present an unrehearsed 15 minutes of information about the college, aimed particularly at high school seniors seeking a place to continue their education.

"We want the life and spontaneity that comes with an unrehearsed discussion," Guy commented.

As the four panelists discuss various aspects of life on Washington Square, Guy will supplement their discussion with appropriate "props," prepared with the cooperation of Dr. Richard Lewis and the Visual-aid department.

Also appearing on the program will be Mr. Ed Dolan, BAETA program director.

A party from the French consul in San Francisco will attend tonight's performance of the French play, "The Barber of Seville," according to Eileen McBride, president of Iota Delta Phi, French honor society.

Tonight's performance will mark the third time the play has been given. Starting time is 8:30 p.m. in the patio of the Women's gym.

Tickets are on sale in the Modern Language office. Admission is 50 cents for students and 75 cents general.

The first in a series of four

## Social Parade

An afternoon of ping pong and volleyball started off an exchange between the Kappa Kappa Gammas and the Theta Chi Wednesday at the fraternity house. The men celebrated their baseball victory over Kappa Alpha by serving a barbecue dinner to their guests.

Art White, president of the Kappa Alpha house, told his brothers Monday night of his pinning to Jeanne Bennett, Dick O'Connell, secretary, announced that he had given his pin to Gamma Phi Johnnie Margetta.

The men of Sigma Pi will honor their mothers Saturday afternoon with a Mother's Day tea at the fraternity house.

Mrs. Hazel Lewis, fraternity cook, will be guest of honor. Sorority housemothers also will be present. Mrs. H. Paul Ecker and Mrs. C. Lindsey will be hostesses. The brothers will entertain with

their Spring Sing selections. George Nale, acting president, will greet the guests.

"We planned the tea to honor our mothers, and to acquaint them with the house and our activities," Ron Wagenbach, courtesy chairman, said. The fraternity plans to make the tea an annual affair, according to Wagenbach.

Nancy Brooks told her Gamma Phi sisters last week of her engagement to Dick Degnon, Sigma Pi alumni. The future Mrs. Degnon is a graduating senior receiving a degree in occupational therapy. Denon was graduated in March with a degree in journalism.

Jeanne Sahm will become Mrs. Douglas Shaw Saturday in ceremonies in La Habra. Doug is affiliated with Alpha Tau Omega.

Peace will be declared among the White and Black Foot Indians tonight at the annual Sigma Nu-ATO Indian dance. Passing of the peace pipe at Hillsdale lodge will officially end the traditional war for the two groups. The Tomahawk trophy for the bravest tribe will be awarded at the party.

# Thrust and Parry

## 'An Ideal Situation'

Dear Thrust and Parry:

I read a very interesting and well written letter in a recent Spartan Daily concerning democracy in the United States, the writer expressed concern about the Rutgers letter and made well-founded criticisms against minority prejudice in our country. A significant thought in his letter was that he must examine both sides of the arguments for and against American Democracy. Perhaps it would be wise to put forth a few self-manifesting arguments in favor of the United States.

The writer of the letter referred to democracy as a "system." I feel that democracy is

not a system but an ideal situation to strive for.

It may be more accurate to say that we are working for democracy. Prejudice and intolerance cannot be legislated away. Neither can human dignity and freedom be legislated into being. Democracy must be developed through a nation's culture and tradition. In England it took more than a thousand years to develop her present democracy, and it is still changing. Many times basic legislative laws are but reflections of tradition and culture.

Certainly there is racial, religious, and minority prejudice in the United States. These prejudices are deep in the personalities of many, many Americans. But there are also dynamic and effective forces fighting such intolerance and bigotry. I believe that one would find the greatest progress is being made in the South where there is the deepest prejudice. The Rutgers letter disagreement is indicative of intolerance. But our freedom to have that disagreement openly and freely is indicative of democracy.

A Communistic or Socialistic system would have many of the same weaknesses that are in our "democratic" set up. A person is not prejudiced solely because he lives under a capitalistic "system" rather, I believe that psychological and sociological causes for prejudice and dishonesty and so forth would take place in almost any political set up.

Eob Lindsey is a candidate for sophomore representative, competing with Pat Brennan, Sue Chapman, and Barbara Lacey.

## 'Best Platoon' Enters Drill

Beginning today, and for the next two Fridays, the Army ROTC platoons which perform the best in drill practice, will be selected to represent the AROTC in the annual Army-Air Force ROTC drill competition scheduled for May 29, announced Captain Hugh W. Donovan of the AROTC unit yesterday.

Capt. Donovan said that the drill competition was started two years ago. The air force unit won the trophy the first year and the Army ROTC last year.

## Garden Work Jobs Plentiful

The Placement office is "literally swamped" with calls for men students to do garden work, Mrs. Nancy Diez, Part-Time Placement office secretary, said yesterday.

Students who are interested in working only on weekends will have little difficulty finding work through the remainder of the quarter, she said. At present there are more offers for garden-work than the office can fulfill.

Students interested in this type of work should contact Mrs. Diez in the Placement office, Room 100.

## FRATERNITY OUSTED

Boston (UP) — The Boston University chapter of Phi Sigma Kappa announced recently it has been suspended by the national fraternity after electing a Negro brother in violation of an official mandate.

SPARTAN DAILY 5

## ISO To Begin Plans for Day At Meeting

Highlighting the International Students organization meeting tonight will be discussion of plans for the second annual ISO-sponsored International day, scheduled for next Wednesday.

The meeting will be held in the Student Union and will begin at 7:30 p.m., according to Friedoun Pirzadeh, publicity director.

To be discussed is last week's meeting, at which three State professors presented opposing viewpoints on "Modern Art."

International day is designed to promote understanding between students of various nationalities on campus. Pirzadeh declared. On Wednesday the foreign students will portray their customs and traditions, entertainment, and dances.

It's all Bar-B-Q  
Nothin' Fried

## Airlift Trips End

Travis Air Force Base (UP) — Twenty United Nations soldiers yesterday, freed from Communist prison camps in Korea, came back to the U.S., ending the army's "freedom airlift" from Tokyo.

# AAU Judo Tonight

Honolulu, New Mexico, New York, Chicago, Puerto Rico and Cuba will be just a few of the cities and territories represented in the National Amateur Athletic Union judo meet Friday and Saturday.

Leading California entries in the tournament, which begins at 7 p.m. each evening, include the Spartans from San Jose State, Los Angeles, University of California, Stockton, Oakland and San Francisco judo clubs.

Age of the host State squad is 25. Hunt, two-time "outstanding" in the Northern California tournament and the only active competitor to hold second degree black belt ranking.

One of the top teams in the tourney, according to Sparta coach Yosh Uchida, is the squad from Hawaii. The five-man team representing the territory are all black belt holders.

Major Donn F. Draeger from Pentagon building in Washington, D.C., is holder of a fourth degree black belt rating. Major Draeger is an outstanding judoist in competition, and has been very active in promoting judo in the eastern part of the United States, according to Uchida.

San Jose State was chosen host of the first national AAU tourney because of the outstanding efforts of Coach Uchida in the promotion of judo throughout the United States, according to Bob McCorkle, publicity manager for the State team.

## Spartans Face Fresno Today At Municipal

Coach Walt Williams' squad will be trying to get back into the win column after Tuesday's loss when the Spartans host Fresno State this afternoon at Municipal stadium.

Tall left-handed Johnny Oldham will toe the rubber against Bulldog hurler Truman Clevenger. Oldham will be seeking his seventh win against flye losses, while Clevenger boasts a 9-2 seasonal mark and a 1.50 earned run average.

The overall team batting average has jumped 15 points in the past two weeks of action. Dick Brady is currently leading the squad with a .301 mark and is followed by Cookie Camara with .295 and Bob Poole at .288. Others in the top seven are Ralph Cleveland at .277; Jack Richards with .242; Ron Kauffman with .235 and Ron Palma at .226.

The Bulldogs come north with a 21-9 record. Two of the Fresno wins were at the expense of the Spartans, 5-0 and 5-2.

Saturday night's contest with the San Jose Zebras has been postponed, announced Coach Williams, and will be re-scheduled for a later date.

The first four days of next week will be devoted to hitting and pitching practice and Friday State meets Fort Ord on the Army base. Saturday the Spartans venture north to meet the University of San Francisco.

## State Trackmen Meet At Fresno Tomorrow

By DON BLOOM

San Jose State runners and field event athletes will rub elbows with some of the greatest trackmen in the world when they compete in the Fresno Relays Saturday afternoon and evening.

Coach Lloyd (Bud) Winter has entered three relay teams and eight men in individual events. Those participating in field events are Bill Priddy, Spartan co-captain, and freshman Owen Rhodes in the pole vault; "Easy" Ed Bill in the discus; Eugene Denny, freshman Joe Wyrick and Jonathan Braun in the high jump; "Hurryn" Herman Stokes in the broad jump and John Slaughter in the 16-pound shot.

The only Golden Raider to run alone in an open track event will be Spartan freshman captain Don Hubbard, who is entered in the 5,000 meter race unattached.

Winter's top relay aggregation will probably be in the two-mile relay. With unbeatable Lang Stanley running the anchor two laps, the Spartans have a chance of coming up with a winner. With Stanley, who has clocked a 1:52.6 880 race, are Bill Stephens (1:57.0), Bob Stewart (1:58.2)

## Women Play In Sports Day

San Jose State's women's softball tennis and swimming teams and Orchesis group will depart tomorrow at 8:30 a.m. for Stanford university's three-activity sports day.

All participants are asked to appear on time in front of the Women's gym.

## Will Give Trophy

The annual trophy for the best rooting section at the Spring Bowl football game will be awarded at halftime today by Russ Whitman, president of Phi Epsilon Kappa, men's professional physical education fraternity. The award will be presented to last year's winning rooting section.

## Study Group Plans Meeting

The committee on graduate study will meet Wednesday to consider applications for general secondary credentials and master of arts degrees, Mrs. Ada Carver, committee secretary, announced yesterday.

The meeting will be held at 2:30 p.m. in Room 108. Mrs. Carver said another meeting of the committee will be held Wednesday, June 3.

Johnny Oldham, San Jose State pitcher, is the son of a former semi-professional pitcher and outfielder.

SWITCH  
TO  
MITCH

According to Winter, the Spartans' main opposition will come from the University of California and Occidental.

The half-mile relay team composed of Walt Burnett, SJSC co-captain Don Cruikshank, James Burks, Curtis Ross, and alternate Perry Peightal also is given a chance to pick up points. The University of Southern California, after its 22nd team title trophy, and Navy, will be the two toughest teams entered.

The third relay foursome is the mile squad which will be made up of Burnett, Stanley, Stephens and Cruikshank.

CHANNING CLUB

## Tennis Signups Finish May 12

Deadline for sign-ups for the All-College Men's Intramural Singles and Doubles Tennis tourney is 4:30 p.m. Tuesday, May 12, at either the Men's P.E. office or Dink Clark's sport shop on San Carlos street. Coach Hugh Mumby announced yesterday.

## Blockers Get Trophies

By GEORGE NALE  
"The teams are as evenly matched as possible," Backfield Coach Gene Menges said yesterday in describing the opposing teams in today's Spring Bowl football game at 3:30 p.m. in Spartan stadium.  
"It probably will not be a high scoring game. I give both teams up to three touchdowns," he said. "It probably will follow

the pattern of last Friday's scrimmage where the winning touchdowns in a close game were scored in the closing minutes."

Regardless of how the game turns out, half-time and after the game will be reward time for many players.

End Mervin Lopes and Guard Charlie Kaahue, both Hawaiians in their first year at Sparta, wound up the spring football season one point apart and both will receive Keith Birlen downfield blocking trophies.

Also due for awards are leading linemen End Ralph Daehler, Bond's award; Tackle Jon Petersen, the Wardrobe award; Center Jim Hague, Galbraith's award; and Guard Tom Louderback, Ferraro's award.

The leading lineman and the leading back in the game each will receive a pair of shoes. They were donated by Herold's Shoe Store for Men and George and Inman Clothiers.

Russ Whitman, president of Phi Epsilon Kappa, men's professional P.E. fraternity, will make the presentations.

Also given will be a trophy for the best poster submitted in publicizing the Spring Bowl game. Dennis Redmond won the contest with a poster of an old-time Spartan with a football and football shoes plus a torch in his hand. A Spartan who spans the centuries.

A record of school songs will be given to one of the students who drops his student body card number in a box at the Library Anch before the game today. The number will be drawn at half-time.

## Will Give Record

Phi Epsilon Kappa, professional education fraternity, will give away an "alumni" record at halftime of the Spring Bowl game today. Students may become eligible for the record by leaving their ASE card number at a booth which will be set up in the quad today.

# Office Lists Benefits Of Alumni Membership

Each year a number of graduating seniors ask why they should pay \$5 to join the Alumni association. To answer this question Peggy Major, Alumni secretary, has released a list of benefits which each member will receive from his membership. The list includes:

- (1) A full year's subscription to the Alumni Review, a 16-page magazine of pictures and stories about the campus, faculty and former students. It is published ten times a year.
- (2) Library privileges at the college for one year.
- (3) A ticket to the annual Senior Breakfast. This year's event will be held June 8 at Lou's Village.
- (4) Seating preference at athletic and other campus events.
- (5) Eligibility to vote in the election of the executive board

## English Major Wins Magazine Editor's Post

Miss Neva Nelson, sophomore English major at the college, has been awarded an editorship with Mademoiselle magazine, according to Dr. James Wood of the English department.

Miss Nelson competed with 700 other girls throughout the nation. The award is given annually to 20 girls who have submitted winning papers.

She is scheduled to leave for New York in June. Upon arrival she will work as an editor of Mademoiselle magazine for one month with a regular salary. "In addition, all expenses, including transportation both ways, and living expenses will be paid by the magazine," Dr. Wood said.

He disclosed that Miss Nelson won the award for three articles she wrote and submitted to the contest. Two of the articles were concerned with women's fashions and the other was a descriptive paper on the annual Science field trip to Death Valley.

"These editorships are coveted by college women because they enable students to get close contact with the type of work they are interested in professionally," Dr. Wood said.

## La Torre List Names Posted

Persons who are having their names stamped on the cover of the yearbook are urged to consult the lists of names which will be posted in the Student Union and outside Morris Dailey auditorium until May 15.

Names appear on the lists as they will be stamped on the cover of the 1953 La Torre. Any errors in spelling should be reported to the La Torre office, B-95. Jim Cottrell, yearbook publicity manager, has announced.

All La Torre salesmen are asked to turn in tickets to the Graduate Manager's office as soon as possible.

Yearbooks will be sold after Senior Lectures, Tuesday, May 19. There are now 186 left.

Cookie Camara, San Jose State shortstop, was born in Honolulu, where he attended Farrington high school.

and the officers of the association. Elections are held each spring.

One dollar of the membership fee also is sent to the treasury of the alumni chapter which the student joins.

All of these benefits, except the Senior Breakfast, are continued for one year each time membership in the association is renewed. At present there are 3700 paid members of the association.

Funds collected from the memberships also are used to maintain the Alumni office on campus. This is the only revenue which the office receives. Some of the projects for which the office is responsible are:

- (1) The preparation and distribution of the Alumni Review.
- (2) Keeping name and address files of every graduate of the college.
- (3) Organization of new chapters and assistance to the old chapters throughout the state. Through this program it is the aim of the association to promote more interest in and support of the college.
- (4) Planning and arranging for the annual Alumni Homecoming day held every spring on campus.
- (5) The answering of all correspondence from alumni and helping them in any way possible.

## Job Interview Scheduled by Owens-Illinois

The Placement office revealed yesterday that Owens-Illinois Glass company will interview engineering majors tomorrow at the Hotel Sainte Claire for positions in the company's trainee program.

Abbot Roberts will interview job applicants in the conference room at the hotel. Graduating mechanical and industrial engineers are preferred for the company's six months and one year trainee programs.

Interested students may get further information and register for interview appointments in the Placement office, Room 100.

Six students enrolled in the Normal school on opening day in 1862.

## Solemn Seniors Decide Menu For Banquet; Weiners Win

By NELSON WADSWORTH  
The Senior council sat in heated debate last Monday. The crucial vote was about to be cast and at last the issue would be settled.

President Ken Scannell lifted his gavel and rapped it briskly on the table. "Let's have a little order," he said.

"Mr. President," someone said, "I move that we bring this issue to a vote."

"I second it," from the rear of the room.

"What will we have on the menu for the banquet," the president said. "Shall it be Spanish beans

with frankfurters? Shall it be Boston-baked beans with weiners? Or shall it be macaroni and cheese with ham?"

Boston-baked with weiners won hands down.

Washington Square was once the site of a slaughter house.
